At its meeting on 27 June 2025, the Executive Committee of IAPWS directed that the following correction be made to the 2024 Minutes of the meetings held 23 and 28 June 2024 in Boulder, CO USA.

The second paragraph under Item 2.1 of the 2024 Minutes, as posted, will now read:

“The Executive Secretary received a notice that SIAPWS had changed the name to NORDIC IAPWS, with Denmark, Sweden, Finland and Norway as included countries.”

The second sentence in this paragraph is now deleted:

~~“This would be reduced to NIAPWS.”~~
